

Application No. 10/801,085
Response dated February 10, 2006
Reply to Office action dated 01/10/2006

CONCLUSION

Applicants reserve the right to present claims to the non-elected subject matter in one or more divisional applications.

In view of the election presented herein and the arguments above, Applicants request that the Examiner examine the merits of the invention so elected.

Respectfully submitted,

Dated: February 10, 2006
